Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for JC/LISD Academy: *A Regional Middle College*. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Kim Dusseau for assistance.

The AER is available for you to review electronically by visiting the [MI School Data website](#), or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was not given one of these labels.

We are continuously working to improve and ensure a successful transition from high school to the college environment. Transportation for students to and from the JC/LISD Academy is not provided and this creates a barrier for some students. This is an area we will continue to review in order to remove those barriers. We appreciate the continued support of students, parents, and our community in this effort.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

The JCC/LISD Academy is public Middle College program that exists in partnership with the 11 local county school districts. The Academy has an open application process that includes local district recommendations. The Academy admits pupils who are residents of the State of Michigan. First priority for admission is given to pupils who reside in Lenawee County. Every year up to 40 students are accepted, based on a slot memo of understanding between the LISD and the local districts.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

- Students will meet college ready benchmark in math.
- Increase Reading Proficiency.
- To improve students transitions to college.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

The students of JC/LISD Academy: *A Regional Middle College* receive special education services through the Lenawee Intermediate School District (LISD). In addition to the specialized schools, students receive diagnostic testing, school psychology, school social work, physical and occupational therapy, career technical education, special needs training and speech pathology services.

The LISD TECH Center offers career technical education programs for high school juniors and seniors. Twenty-eight students from JC/LISD Academy attended the LISD TECH Center or participated in the co-op/work experience program during 2020-21. This equals 43% of the junior and senior population for this school district. Ten students from JC/LISD Academy attended the LISD TECH Center or participated in the co-op/work experience program during 2020-21. This equals 38% of the junior and senior population for this school district.

The most recent follow-up of LISD TECH Center students (a 2022 study of 2021 graduates) showed 50.5% were continuing their education. Of those continuing their education, 89.8% were continuing in a field related to their LISD TECH Center program. In addition, 85.7% were working (full-time or part-time) with 5.8% reporting they were unemployed/seeking employment. Of those working full-time, 67.4% were in a field related to their LISD TECH Center program.

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL
